O R D E R

The Government in the reference 1<sup>st</sup> read above, accorded approval in principle to Commissioner, Greater Hyderabad Municipal Corporation to hold 11<sup>th</sup> Metro Polis World Congress in 2014 at Hyderabad. The Commissioner, Greater Hyderabad Municipal Corporation vide reference 2<sup>nd</sup> read above has informed that the World Congress in association with Metro Polis is the World Association of Major Metro Polises (Cities with 1 Million Population) and that the World Congress is expected to be attended by about 1,000 Foreign Delegates from 60 Countries around the World and it is proposed to collect the following registration fee from the delegates:

International Delegate	: \$ 500 US (\$ 100 US for accompany Delegate)
SAARCI Delegate	: \$ 250 US
Indian Delegate	: Rs.15,000/- (Rs.6,000/- for accompany Delegate)

2. The Commissioner, Greater Hyderabad Municipal Corporation has also informed that Mr.Sunil Dubey, Advisor to Secretary General, Metro Polis World Association, Barcelona has stated that by maximizing the number of delegates and attendees, the 11<sup>th</sup> Metro Polis World Congress would provide an opportunity to showcase the urban credentials of Brand Hyderabad during 2014 and setting its place as the top commercial event destination in Indian sub continent with focus on International Business Environments. He has requested for consideration of subsidizing or the waiver of the registration fee through International Cities Cooperation and Social Responsibility (ICCSR) initiative of Host City of Government of Telangana.

3. The Commissioner, Greater Hyderabad Municipal Corporation has therefore requested the Government to take a policy decision officially to waive of the “registration fee” for all the delegates (both International and National) to the ensuing 11<sup>th</sup> Metro Polis World Congress to be held from 7<sup>th</sup> – 10<sup>th</sup> October, 2014 in Hyderabad.

4. The Government after careful examination, consider that organizing this prestigious event in Hyderabad would certainly add to brand value of Hyderabad in general and Telangana State in particular. They also consider that the expected revenue from the registration is very nominal and it would be desirable to waive of the registration fee so as to attract more registrations especially from the SAARC Countries and other 3<sup>rd</sup> World Countries. Therefore, Government have decided to waive of the registration fee to both International and National delegates to facilitate large participants in proposed event.
